

Dr. Jacobs offers a two hour “The Basics of CBT-I” remote webinar and an in-depth, six hour “Developing Expertise in CBT-I” remote webinar. His two-hour webinar that was recently attended by 200 clinicians included CE credits and resulted in \$8,000 in revenues for the sponsoring state psychology organization. His six-hour webinar that was recently attended by 60 clinicians included CE credits and resulted in \$5,000 in revenues for the sponsoring state psychology organization. Both webinars were the highest attended webinar of the year for both sponsoring organizations. The fee for a CBT-I webinar starts at \$1500 for 20 clinicians.
